Mua Parish is located in Dedza diocese in the central part of Malawi. The Parish has been run by the Missionaries of Africa since its foundation in 1902. Its important to know that here we have Parish and Kungoni Center for Culture and Arts founded in 1976, where there's a Museum, Gallery and a Hostel. The goal of the Center is to guide Malawians to a deeper understanding of their country and Culture and also to help you who is willing to learn more about this beautiful country and its

bagground (the culture). Therefore we offer that big opportunity to those who come to learn the local language especially Chichewa, to learn as well the culture and visiting Center, Museum, Gallery...

Mua is known has the best place for learning the local language and culture of Malawi. We also offer a warm welcome, a very good environment, we make sure that any one who comes here, learn and speak fluently

Chichewa in a short period of five Weeks before going back because we have very good teachers. We will be happy to welcome you in Mua Parish.
